If you are selected, how will your trip be financially sponsored?

What are your specific expectations of participating in Citizenship Washington Focus?

Please explain your understanding of citizenship.

List ways you have served as a leader. Be specific of kinds of help given.

Describe one issue or concern of special interest to you as a citizen of your community. Indicate how you as an individual or as a member of a group might take action on the issue.

Tell how you plan to use information gained from this trip upon your return home on individual, club or county level. Be as specific as you can.

List three (3) specific groups/organizations that you could give a presentation to about CWF.
