Term of the Agreement:

The term of this contract shall be on or before March 1 through the Sedgwick County event for this animal. This contract may be terminated at any time by mutual agreement in writing, or by at least 10 day(s) written notice from either party. Note: Dairy animals leases will start earlier to meet the "prior to first freshening rule", if the animal meets criteria for rule.

Additionally, the 4-H or FFA member (Lessee) agrees to:

- Contribute to the care, training, feeding, and management of the leased animals as outlined above.
- Allow the owner to breed the animal at the direction and the expense of the owner, if applicable. The resulting offspring shall be the property of the owner who shall take possession of the animal at weaning or end of the lease agreement.

Additionally, the owner of the animal (Lessor) agrees to:

- Provide opportunities for the 4-H/FFA member(s) to participate in hands-on learning about the care, training, feeding and management practices for the leased animal and to contribute to the care and expense as outlined above.
- Refrain from allowing any other individual (including the owner) to enter/exhibit the animal in any show/exhibition during the time this agreement is in effect. (This includes junior shows, open shows, jackpot shows, etc.) Violation of this rule will make the animal ineligible for full-privilege exhibition in 4-H county or state shows. (See animal science lease information sheet for exceptions.)
- Allow the lessee to keep any premiums or awards earned while exhibiting the animal during the duration of this agreement.
- Review the Information Sheet (Rulebooks for dog) for this species and will abide by all project rules and guidelines.
