Questions?

4-H Extension Agent Kate - kate42@ksu.edu
Office Professional Barbara - bwingfie@ksu.edu

Welcome to Our Newsletter!

This publication will be released on the first Monday of each month to update you on what is happening in Sedgwick County 4-H and beyond. Check it out to get an update on all things happening soon.

New Fair Entry Program

This year we will be implementing a new fair program that has been adopted by many of our surrounding counties. Fair Entry will allow you to login through your 4-H Online account and create all your entries which will then be approved by the office. This removes extra steps and will reduce errors! Entries will continue to have no cost and the office will be available for "technical support" as needed. Our Fair Entry page is live and ready to receive entries [here](#).

Club Spotlights

Club Reporters are encouraged to submit an article about what your club has been up to recently to be featured here and on Social Media. Brainstorm and write articles, present them to your officer team, and then send them on to the Extension office.

Senior Spotlights

Send your photo and information about your future plans to the office for a spotlight!
