### Recording Guidelines for Digitally Submitted Presentations

In light of several considerations (including pandemic related concerns), an option to submit pre-recorded presentations will be available for 4-H Club Day 2022. This option is intended to encourage all 4-H members to participate in preparing and giving a presentation, regardless of health situation or scheduling conflicts. The guidelines are as follows:

- The option to record and submit digitally is available only for: Sharing, Junior & Intermediate Demonstrations & Illustrated Talks, Junior & Intermediate Project Talks, Senior Demonstrations & Illustrated Talks, & Public Speaking.
- If this option is selected, the participant forfeits the in-person opportunities.
- In the registration, there will be an option to state if the 4-H member's presentation will be given in-person or virtually.
- Presentations submitted digitally will be "participation only" and not regional eligible, but participants will still receive comments from the judge.
- All presentations submitted digitally will be due by 12:00 p.m. (noon) the Friday before 4-H Club Day (January 29th ). Directions on how to submit will be sent directly to the individuals who have registered for this option.
- A link will be available for digital submissions when the 4-H Club Day schedule is published.
- If a 4-H member has signed up for an in-person presentation and a health situation necessitates switching to a digital submission after the January 7 registration deadline, families will need to communicate with Barbara to move to the digital option by calling 316-660-0115 or emailing her at bwingfie@ksu.edu.
- Video must be continuous with no editing whatsoever. Your presentation must be shot in one continuous take. Please do not use any kind of title screens, credits, special effects, or captioning. The idea is to create a video of your presentation as it would be seen at an in-person 4-H Club Day.
- Presenter/performer must be in front of the camera throughout the presentation. Do not move "off-camera."
- Demonstrations & Illustrated Talks for Junior, Intermediate & Senior categories - As questions would normally be asked in an in-person environment, presenters are encouraged to ask for questions and have a family member ask questions from off-camera. Please try to avoid asking known or "scripted" questions as the goal is to have the 4-H member field the question on the spot as they would in an in-person setting.

TALENT Member must present a prepared Public Presentation (demonstration, project talk, public speaking or sharing) to be eligible for individual talent. Spontaneous Speaking is not included in the prepared Public Presentation category. 4-H member may participate in group (3 or more) without presenting individual prepared public presentation. (Individual and Duet entries must also present demonstration, project talk, public speaking or sharing.)
