Activity sheets for Embryology are located in this binder (Please use the originals to make copies)			
1 DVD ("All About Eggs: from Magic to Market")			
2 posters ("A Closer Look" & "How A Chick Hatches")			
1 children's book ("Chicks & Chickens")			
24 yolk development pictures on ring			
Breed matching game and cards			
Plastic eggs for Countdown to Hatch activity			

Incubation/Chick Items:			
1 incubator (please return to original packaging)			
1 heat lamp			
1 heat lamp bulb (please return to original packaging)			
1 brooder thermometer (do not leave in the brooder box unsupervised ; the chicks will most likely destroy it)			
Water container and feeder			
1 large plastic tote (to be used as brooder box)			
1 cardboard box (to transport chicks)			

Consumable Items (we do not expect these back):			
12 fertilized farm eggs			
Bag of pine shavings			
1 bag of chick feed			
1 sugar packet			

Materials in this kit are not consumable, unless otherwise stated. Please make copies of the worksheets for you and your students to use.

**Please clean all materials upon return to the Extension office at
7001 W 21st St. Wichita, KS 67205**
