2020 CHANGES DUE TO COVID-19

This year's event is **being held as a virtual event** that will be held live online, via Zoom. Instructions for accessing the workshop will be provided to all registrants.

Access to an **internet-connected device** such as laptop, desktop, or tablet **is required**. Cell phones are not recommended due to the technology and verification requirements to receive credit. Devices with webcams are preferred; poll questions will be utilized to confirm attendance.

If you are unable to participate due to lack of computer access, or other limitations, please contact Nancy Richardson at 316-660-0144 to make accommodations.

If multiple people from one company are interested in **participating together under company supervision, options to set up a 'watch party'** from one device are available. Please contact Matthew McKernan for further information at 316-660-0140.

K-STATE
Research and Extension
Sedgwick County

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Accommodations for persons with disabilities may be requested by contacting Nancy Richardson two weeks prior to the start of the event, by November 3rd, at 316-660-0144 or nancy77@ksu.edu. Requests received after this date will be honored when it is feasible to do so.

Kansas State University Agricultural Experiment Station and Cooperative Extension Service. K-State Research and Extension is an equal opportunity provider and employer.
