

BEE REMOVAL & URBAN WILDLIFE CONTROL

K-State Research & Extension does not recommend nor endorse any of the following individuals/businesses, nor is criticism implied of individuals/businesses not mentioned. The following list was put together based on individuals and businesses who provide service in the area and have requested to be included on the list. It is always a good idea to agree to terms (such as cost of services) prior to hiring any individual/business. You may also want to inquire if the business is licensed, certified or insured. If you wish to be added to this list of bee removal professionals, please contact us at 316-660-0100.
