

Quality of Life

Give some examples of how gardening has improved the quality of life for you or your family.

Volunteer Service

Explain how you will better be able to serve your community through becoming a Master Gardener that you would not be able to do without the training and opportunities of the Master Gardener program.

If selected to receive this scholarship, I agree to pay \$30 toward Master Gardener Training. I will miss no more than 2 training classes for excused reasons and upon completion of the training I will complete 48 volunteer hours to achieve "Active" Master Gardener status.
